Behaviour Policy

Our mission is "to deliver excellence in education and to transform lives through learning", bringing to life our core values of empowerment, enterprise, connectedness, and transformation. We work hard to ignite confidence, expand opportunities, energise the community, and generate prosperity.

These values are further supported by our learning philosophy, rooted in the dynamics between the brain, motivation and our emotions.

Policy Statement
This policy sets out expectations regarding behaviour and bullying.

Principles
ALET seeks to ensure that students learn in a supportive, caring, and safe environment. Unacceptable behaviour affects everyone. Challenging unacceptable behaviour effectively will reinforce our strong professional ethos, improve the safety and wellbeing of students, demonstrate that we care and make it clear to students that unacceptable behaviour will not be tolerated.

This behaviour policy is linked to:
- Exclusion policy
- Child Protection and Safeguarding policy
- Anti-bullying strategy

5. Roles and responsibilities

5.1 The governing board

The ALET board is responsible for monitoring this behaviour policy's effectiveness and holding the Chief Executive Officer to account for its implementation.

The Local Governing Committees are responsible for holding the headteacher/principal of the school to account for its implementation.

5.2 The Chief Executive Officer

The Chief Executive Officer is responsible for reviewing and approving this behaviour policy.

The Executive Principal and Head of School of each school will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently

- Modelling positive behaviour

- Providing a personalised approach to the specific behavioural needs of particular students

- Recording behaviour incidents via the relevant school behaviour data management system.

- Considering their own behaviour within the school culture and how they can uphold school rules and expectations.

- The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child in adhering to the school's behaviour policy.
- Inform the school of any changes in circumstances that may affect their child's behaviour.
- Discuss any behavioural concerns with the school promptly.
- Work in partnership with the school

6. Student Code of Conduct

ALET students are expected to:

- Behave in an orderly and self-controlled way.
- Show respect to members of staff and each other
- In class, make it possible for all students to learn.
- Move quietly around the school.
- Treat the school buildings and school property with respect.
- Wear the correct uniform at all times.
- Accept sanctions when given.
- Refrain from behaving in a way that brings the school into disrepute, including when outside school.

7. Rewards and sanctions

The focus of behaviour management is positive, not confrontational.
Students are treated with respect and allowed both choice and control of their own behaviour.
A clear distinction is made between the child and his or her behaviour.
Adults take responsibility for ensuring that children grow in awareness of the consequences of their behaviour.
Staff are consistent about their expectations of students' behaviour and share those expectations with parents.
Staff support each other and actively draw attention to desirable behaviour. Students know that their cooperation is both expected and appreciated.

7.1 List of rewards and sanctions

Positive behaviour will be rewarded with:

- Praise
- Positive recognition as defined by each school.
- Letters or phone calls home to parents
- Special responsibilities/privileges

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the student out of the class
- Expecting work to be completed at home, or at break or lunchtime.

- Detention at break or lunchtime, or after school

- Referring the student to a senior member of staff

- Letters or phone calls home to parents

- Agreeing a behaviour contract

- Putting a student 'on report'

We may use an isolation/reflection area in response to serious or persistent breaches of this policy. Students may be sent there during lessons if they are disruptive, and they will be expected to complete the same work as they would in class. Students will be expected to engage in a restorative meeting with staff.

In cases of persistent, unacceptable behaviour or for serious individual events, schools may:

- Suspend a student from school for a fixed period.

It should be noted that in circumstances of a serious incident, a student could face Permanent Exclusion, depending on the nature of the event. A decision to exclude a student permanently should only be taken:

• in response to a serious breach or persistent breaches of the school's behaviour policy; and

• where allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school.

7.2 Zero-tolerance approach to sexual harassment and sexual violence

All schools within the ALET will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

All schools in the Trust promote a positive attitude towards reporting inappropriate behaviour to staff. This is promoted through the Speak Up, Speak Out campaign. This is an approach that promotes specific understanding of what constitutes inappropriate behaviour and uses a student manifesto to make it easy for students and staff to understand and challenge behaviour that does not meet appropriate standards.

The school's response will be:

- Proportionate

- Considered

- Supportive

- Decided on a case-by-case basis.

Sanctions for sexual harassment and violence may include:

- Suspension

- Permanent exclusion

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

• Responding to a report

• Carrying out risk assessments, where appropriate, to help determine whether to:

    o Manage the incident internally.

    o Refer to early help.

- o Refer to children's social care.
- o Report to the police

Please refer to our child protection and safeguarding policy and the school arrangements for Speak Up, Speak Out for more information which is available via the ALET website http://www.alet.org.uk/policies-and-resources/

7.3 Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g., school trips)
- Travelling to or from school
- Wearing school uniform or identification as required by the school
- In any other way identifiable as a student of one of the ALET schools.

Sanctions may also be applied where a student has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school.
- Poses a threat to another student or member of the public.
- Could adversely affect the reputation of the school.

7.4 Malicious allegations

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and students accused of misconduct.

Please refer to our child protection and safeguarding policy accessible via the ALET website http://www.alet.org.uk/policies-and-resources/

8. Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

Create and maintain a stimulating environment that encourages students to be engaged.

- Display the student code of conduct or their own classroom rules.
- Develop a positive relationship with students, which may include:
  - o Greeting students in the morning/at the start of lessons
  - o Establishing clear routines

o Communicating expectations of behaviour in ways other than verbally

o Highlighting and promoting good behaviour

o Concluding the day positively and starting the next day afresh

o Having a plan for dealing with low-level disruption

o Using positive reinforcement

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of physical restraint must:

- **Always be used as a last resort.**
- Be applied using the minimum amount of force and for the minimum amount of time possible.
- Be used in a way that maintains the safety and dignity of all concerned.
- Never be used as a form of punishment.
- Be recorded and reported to parents
- Be recorded in detail on the school safeguarding software.

8.3 Confiscation

Any prohibited items found in students' possession will be confiscated.

These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

Searching and screening students is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

8.4 Student support

The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.

The school's special educational needs co-ordinator will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

8.5 Safeguarding

The school recognises that changes in behaviour may be an indicator that a student is in need of help or protection. We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

9. Student transition

To ensure a smooth transition to the school or to a new Key Stage students will have transition sessions with their new teachers and staff/leaders responsible for the students.

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term or year.

10. Training

Training takes place for all staff, as part of induction and through our Continuing Professional Development programmes.

11. Monitoring arrangements

This Behaviour Policy will be reviewed by the ALET Executive Group and the Chief Executive Officer and ALET Board annually. At each review, the policy will be approved by the Chief Executive Officer.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the chief executive officer annually.
